

Conversation between Riya and Harry

Riya: Hi, I'm Riya. What is your name?

Harry: Hi Riya, nice to meet you. I'm Harry.

Riya: Is it your first day in this school?

Harry: Yes, I'm new admission in this school. Are you new here too?

Riya: No, I'm studying here since grade I. So, what did you do during the summer break?

Harry: I visited my grandparents, they stay in Chester. And how did you enjoy the vacation?

Riya: O, that's nice Harry. My aunt and her family visited us. I had fun time with my cousin, Eddy.
